

## Faculty/Program Committee Disclosure Index

The 2007 Breast Cancer Symposium Program Committee has reviewed all presenter disclosure reports, identified potential conflicts of interest and implemented strategies to manage those areas of conflict, where they exist. Financial relationships reported by members of The 2007 Breast Cancer Symposium Program Committee are also provided below. During all phases of planning for the Symposium, areas of conflict were managed through a peer-review process and/or through individual recusal when appropriate. Faculty who are also Program Committee members are indicated with a cross (†). Faculty/Program Committee members with no significant relationships to disclose are indicated with an asterisk (\*).
