

2007 Faculty and Discussant Disclosure Index

The following list represents disclosure information provided by speakers at Annual Meeting educational sessions (Faculty) and discussants in abstract presentation sessions (Discussants) received by March 20, 2007. Updated disclosure information will be available at the Annual Meeting. The ASCO Cancer Education Committee and Scientific Program Committee have reviewed all presenter disclosure reports, identified potential conflicts of interest and implemented strategies to manage those areas of conflict, where appropriate. Faculty and Discussants who had not provided disclosure information by March 20 are indicated with an asterisk (*).

Please refer to the Online Pocket Program at www.asco.org for updates to disclosure information.
