**AFFILIATE
PROGRAM**

New Website Management Tool

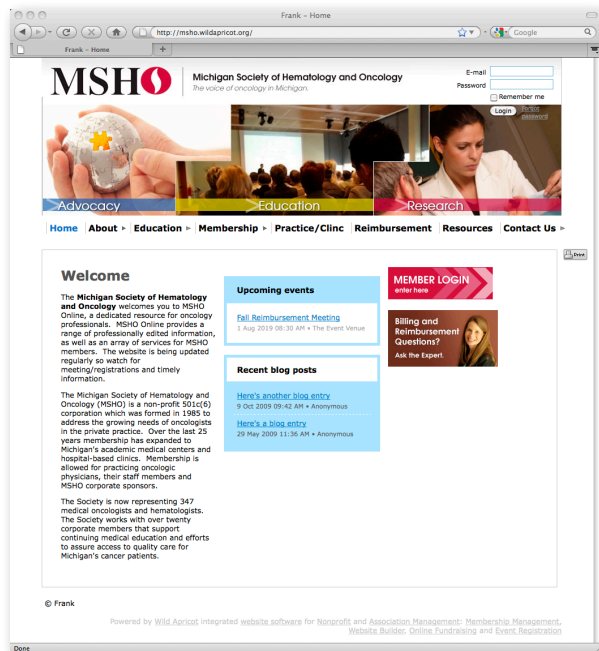

Provided complimentary by ASCO

An easy to use website development and management tool, accessible from any web-browser. No software installation is necessary.

Users will also be able to manage the following:

- » **Membership Management**
 - › Online membership applications
 - › Member directory
 - › Automated membership renewals
- » **Online Fundraising**
 - › Online donation management
- » **Website Development**
 - › Easy website builder
 - › Online communities
 - › Secure access for editing
- » **Event Registration**
 - › Event management
 - › Online payments

Please contact Terry Hamlin at terry.hamlin@asco.org if you are interested in utilizing this tool.
Your response by November 13 is appreciated.

Homepage created in 15 minutes using Wild Apricot, based on design by TCS Software

Note: All current users of ASCO's website tool will automatically be switched to Wild Apricot. New users may opt in now (preferable) or at any time moving forward.
