

THE BREAST CANCER SYMPOSIUM

SEPTEMBER 8-10, 2011

CO-SPONSORED BY

American Society
of Breast Disease

Shawna C. Willey, MD, FACS Chair, 2011 Breast Cancer Symposium Steering Committee

Shawna Willey, MD, is an Associate Professor of Clinical Surgery at Georgetown University and the Director of the Betty Lou Ourisman Breast Health Center at Georgetown University Hospital's Lombardi Comprehensive Cancer Center. A native of Iowa, she received her medical degree from the University of Iowa and completed her residency in surgery at the George Washington University Medical Center.

Before joining the Lombardi Comprehensive Cancer Center, Dr. Willey served as the Director of the Breast Care Center at George Washington University. She serves as the Chief of the Division of Breast Surgery and is an active researcher at the Lombardi Comprehensive Cancer Center. Dr. Willey has been an investigator on several clinical trials with a focus on outcomes and quality of life. She is interested in international health and education, and has conducted programs throughout the world, including Europe, Africa, Asia and the Middle East.

Dr. Willey is an active member of the American Society for Breast Surgeons and served as the Society's president from 2008 through 2009. She is a co-founder of the Breast Cancer Care Foundation and recently received awards from the African Women's Cancer Association and the Living in Pink Foundation.
