

2010 Faculty and Discussant Disclosure Index

The following list represents disclosure information provided by chairs, speakers, and discussants at the Annual Meeting educational and scientific sessions. The ASCO Cancer Education Committee and Scientific Program Committee have reviewed all presented disclosure reports, identified potential conflicts of interest, and implemented strategies to manage those areas of conflict, where appropriate. Relationships are considered self-held and compensated unless otherwise noted.

I – Immediate Family Member; **B** – Myself and Immediate Family Member; **U** – Uncompensated
