

2010 Genitourinary Cancers Symposium Disclosure

In compliance with the ASCO Conflict of Interest Policy and the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, abstract authors, and faculty who participate in any ASCO- or co-sponsored meeting must disclose financial interests and other relationships with entities that have an investment, licensing, or other commercial interest in the subject matter under consideration in their abstract or presentation. Author and faculty disclosures may be published in ASCO publications where appropriate.

Authors and faculty will be asked to disclose financial interests and other relationships in the following categories:

Items Requiring Disclosure

A. Employment or Leadership Position

Any full- or part-time employment or service as an officer or board member for an entity having an investment, licensing, or other commercial interest in the subject matter under consideration must be disclosed.

B. Advisory Role

Consultant or advisory arrangements with an entity having an investment, licensing, or other commercial interest in the subject matter under consideration must be disclosed if consultation was performed or payments made for such consultation within 2 years of the activity or subject matter in question.

C. Stock Ownership

Any ownership interest (except when invested in a diversified fund not controlled by the covered individual) in a start-up company, the stock of which is not publicly traded, or in any publicly traded company must be disclosed if the company is an entity having an investment, licensing, or other commercial interest in the subject matter under consideration.

D. Honoraria

Honoraria are reasonable payments for specific speeches, seminar presentations, or appearances. Disclosure of honoraria is required when paid directly to the covered individual by an entity having an investment, licensing, or other commercial interest in the subject matter under consideration and when provided within 2 years of the activity or subject matter in question.

E. Research Funding

All payments associated with the conduct of the clinical research project in question must be disclosed if provided by the trial sponsor or agents employed by the sponsor.

F. Expert Testimony

Provision of expert testimony must be disclosed when the testimony relates to the subject matter under consideration.

G. Other Remuneration

The value of trips, travel, gifts, or other in-kind payments not directly related to research activities must be disclosed if received from an entity having an investment, licensing, or other commercial interest in the subject matter under consideration and when received within 2 years of the activity or subject matter in question. These payments exclude research-related costs and travel.

2010 Abstract Disclosure Index

The following disclosure information has been provided for one or more authors of each abstract.

An asterisk (*) indicates no significant financial relationship to disclose.

Abstracts published or presented pursuant to an exception to the ASCO Conflict of Interest Policy are indicated with a caret (^).
