

ADAPTING TO CHANGES IN MEDICARE

ASCO is pleased to present an audioconference to help your practice understand and implement changes to coding for drug administration services and the new cancer care demonstration project. The conference will include an interactive Q & A session.

You and your practice staff are invited to join us for one of two 90-minute national conference calls.*

Thursday, December 16, 2004, 4:00pm EST

or

Thursday, January 6, 2005, 4:00pm EST

To participate in this free call, please RSVP by email by close of business on Wednesday, December 15 to ASCO's Cancer Policy & Clinical Affairs Department – Be sure to include your name and the date/time you prefer – once you RSVP you will receive the call in information and program materials!

ascoaudioconference@asco.org

**ASCO will present the most up-to-date information available during the audioconferences. Practices who sign up for the December call are also encouraged to register for the January call in the event that additional guidance is issued by CMS in the interim period.*
