Important Security and Attendee Conduct Information

For security reasons, a Symposium badge will be required for admittance to all events. Please wear your badge so that it can be easily seen at all times. Lost badges should be reported to the Registration Staff immediately. The following badge policies will be in effect throughout the Symposium.

1. The Symposium badge is the sole property of the Symposium co-sponsors.
2. The badge is nontransferable.
3. False certification of individuals as paid Symposium attendees, misuse of badges, any method of assisting unauthorized persons to gain access to any Symposium event, or any inappropriate or unauthorized conduct will be just cause for repossessing badges of any individuals involved and expelling all parties involved from the Symposium without obligation on the part of the Symposium co-sponsors for refund of any fees.

In addition, individuals who are part of the Symposium may not engage in any demonstrations or other behavior that the Symposium co-sponsors deem to be potentially disruptive to the conduct of the Symposium. Violation of this rule is grounds for immediate dismissal from the Symposium and/or ineligibility for attendance at future ASCO Symposia. Any person who is dismissed from the Symposium may request that the Symposium co-sponsors review the matter, provided, however, that such dismissal will be effective immediately and will continue until and unless the Symposium co-sponsors issue a contrary decision.

Please Note

Co-sponsors of the Symposium reserve the right to bar from this and future meetings any representative who fails to adhere to these policies or who misuses his/her institutional filming privileges. The Symposium has been designated smoke-free, which applies to all meeting areas. No persons under the age of 17 will be admitted to any official Symposium function.
