American Society of Clinical Oncology®
Conquer Cancer®, the ASCO Foundation
2022 Priority Points Guidelines

(Effective: February 2021)

These Priority Points Guidelines (“Guidelines”) explain the system the American Society of Clinical Oncology and the Conquer Cancer® Foundation of the American Society of Clinical Oncology (“Conquer Cancer”) (collectively, “ASCO”) will use to prioritize the selection of exhibit space (not including online exhibits), exhibitor meeting rooms, ancillary event space and hotel accommodations by Exhibitors1 for the 2022 ASCO Annual Meeting.2 Exhibitors will pay applicable exhibit space fees and hotel accommodation fees regardless of the order in which they select exhibit space and hotel accommodations.

All Exhibitors at the ASCO Annual Meeting and ASCO-planned symposia and meetings and their guests must procure exhibit space and any hotel accommodations for current and future ASCO Annual Meetings and ASCO-planned symposia and meetings through ASCO or ASCO’s designated vendor and must submit their requests to ASCO in a complete and timely manner. While ASCO will rely on these Guidelines to prioritize selection of exhibit space and hotel accommodations for the ASCO Annual Meeting, ASCO retains authority over exhibit space and hotel accommodations for the ASCO Annual Meeting, and reserves the right to change the location of exhibit space and hotel accommodations. Exhibitors are not guaranteed any specific exhibit booth or exhibit hall location, hotel accommodations, or any priority for selection of exhibit space or hotel accommodations under these Guidelines. Any ambiguities about these Guidelines and the selection of exhibit space and hotel accommodations will be resolved by ASCO.

A. Nonprofit Patient Organizations, ASCO® State and Regional Affiliates, and Nonprofit Medical Professional Societies

ASCO recognizes the importance of the participation in ASCO meetings of nonprofit patient advocacy and support organizations, ASCO State and Regional Affiliates, and nonprofit medical professional societies. Typically, ASCO will set aside exhibit space for these organizations. The eligibility for and availability of this exhibit space are at ASCO’s discretion.

B. Other Exhibitors

ASCO may set aside exhibit space for nonprofit patient advocacy and support organizations, ASCO State and Regional Affiliates, and nonprofit medical professional societies. All other exhibitors will be prioritized for selection of exhibit space and hotel accommodations based on a point system as explained below. The process for selection of hotel accommodations will also take into consideration the number of the Exhibitor’s personnel.

If the proposed activity is approved by ASCO and Conquer Cancer, the Exhibitor must sign and submit the Policies and Procedures for Fundraising Events on Behalf of Conquer Cancer.

company will receive the points and the years of support of the company that had the higher total points if requested by the merged company. The points and years of support of each Exhibitor will not be combined. However, if a newly acquired subsidiary company is a separate corporate entity and the parent and the subsidiary company do not desire to merge exhibit hall space or online exhibits, they can have their own exhibit hall space online exhibits, as described below.

8. **Companies within a Corporate Family.** Companies in the same corporate family may have their own exhibit hall space or online exhibits if the companies are separate corporate entities. In this situation, each company enters into a separate Exhibitor Agreement, uses its own points and years of support, and has its own place in line. The points and years of support of one company cannot be attributed to another (in other words, the points and years of support of one company cannot be “counted” twice). The company name on the booth, exhibit hall signage, online exhibits, and in the Exhibitor Directory must be the same as the company whose name appears at the top of its Exhibitor Agreement.

9. **Penalties.** In order for the ASCO Annual Meeting and ASCO-planned symposia and meetings to attract attendees and operate efficiently, effectively, and safely, Exhibitors must comply with ASCO policies, procedures, guidelines, and the ASCO Exhibitor Agreement. If an Exhibitor fails to comply with any ASCO policies, procedures, guidelines, or the Exhibitor Agreement, the Exhibitor may be penalized, including but not limited to by losing points for the current and/or future years for purposes of exhibit space, exhibitor meeting rooms, ancillary event space, and/or hotel requests, having its exhibit and/or hotel space relocated or reduced in size, and/or paying a penalty.

10. **Final Selection Order of Exhibitors.** ASCO will give each Exhibitor the opportunity to request exhibit booth space and preferred hotel accommodations in the order the Exhibitor appears on the selection list.

11. **Availability of Information.** These Guidelines will be available through the ASCO website. If an Exhibitor wants to know the number of points the Exhibitor has accrued, the Exhibitor can make a request to ASCO via email to exhibits@asco.org. ASCO will not disclose the number of points or the priority order of any Exhibitor to another Exhibitor.
