Purpose
The Conquer Cancer Resident Travel Award (RTA) for Underrepresented Populations provides financial support for residents from underrepresented populations to attend ASCO’s Annual Meeting. The intention of this award is to attract residents from underrepresented populations to a possible career in one of the oncology specialties. This travel award will allow the recipients to travel to the 2021 ASCO Annual Meeting, where they will have the opportunity to meet oncologists and to understand the career possibilities in the field of oncology.

To be eligible, applicants must be of an underrepresented population as defined by the program eligibility criteria and be enrolled in an ACGME-accredited residency program required for future training in a cancer-related subspecialty (e.g., Internal Medicine considering Medical Oncology, Surgery considering Surgical Oncology, etc.). Please note that residents already enrolled in oncology programs (e.g., Radiation Oncology, etc.) are not eligible. Applicants must be U.S. citizens, U.S. nationals or permanent residents. Applicants must demonstrate an interest in pursuing oncology, and have a record of good academic standing.

The 2021 ASCO Annual Meeting will be held in Chicago, Illinois, from June 4-8, 2021. Recipients are required to attend certain Annual Meeting events on Friday, June 4th, Saturday, June 5th, and Sunday, June 6th, and must utilize this opportunity to attend the entire ASCO Annual Meeting. At the meeting, recipients will have the opportunity to interact with oncology professionals who will be available to offer career guidance and assistance in navigating the Annual Meeting.

Please note that ASCO is continually re-evaluating the Annual Meeting due to the global pandemic. If necessary, recipients of this award will receive virtual opportunities to attend, participate, and receive mentoring.

Funding Available
The Resident Travel Award for Underrepresented Populations includes a $1,500 travel advance, complimentary Annual Meeting registration, and access to the Annual Meeting housing block. Please note: access to the housing block does not include the cost of the hotel room.

Note: Funds may be used to cover costs for the hotel, meals, and other travel-related expenses for the ASCO Annual Meeting. Access to the ASCO housing block does not cover the actual hotel costs.

Income Tax Liability
Please note that the IRS requires reporting of payments over $600. Therefore, the $1,500 travel award to attend the Annual Meeting that the applicant will receive under the RTA will result in taxable income, and the applicant will be responsible for payment of any federal or state taxes due. The applicant will receive an information statement (IRS Form 1099-MISC) showing the total amount of the award under the RTA. The applicant is recommended to consult a tax advisor regarding any further questions about taxes on the RTA funds he/she will receive.
Physician Payments Sunshine Act
The Physician Payments Sunshine Act, or “Sunshine Act”, is part of the Patient Protection and Affordable Care Act (health care reform) that passed in 2010. The law is designed to bring transparency to financial relationships between physicians, teaching hospitals, and healthcare companies. More information about the Sunshine Act can be found at https://www.asco.org/practice-policy/policy-issues-statements/asco-in-action/physician-payment-sunshine-act-additional.

The Sunshine Act requires manufacturers of pharmaceutical drugs and devices, as well as group purchasing organizations, to report payments or transfers of value made to teaching hospitals and U.S. licensed physicians. (Please see the following excerpt from the Sunshine Act Final Rule that defines physician according to this law. If there are any questions regarding reportability, please talk with your institution. “As required by section 1128G(e)(11) of the Act, we proposed to define “physician” as having the meaning set forth in section 1861(r) of the Act, which includes doctors of medicine and osteopathy, dentists, podiatrists, optometrists, and chiropractors, who are legally authorized to practice by the State in which they practice.”) Reports are made to the Centers for Medicare and Medicaid Services (CMS), a government agency.

Conquer Cancer understands that payments made through this award are reportable under the Sunshine Act as indirect payments or transfers of value because these awards are funded by companies that are considered manufacturers of pharmaceutical drugs and devices and/or group purchasing organizations.

Conquer Cancer has entered into agreements with the supporters of this award that require that Conquer Cancer provide reportable information under the Sunshine Act. RECIPIENTS OF THE RESIDENT TRAVEL AWARD MAY BE REPORTED ON THE CMS OPEN PAYMENTS WEBSITE AS HAVING RECEIVED PAYMENTS OR TRANSFERS OF VALUE FROM MANUFACTURERS OF PHARMACEUTICAL DRUGS AND/OR DEVICES. If there are any questions about reporting due to the Sunshine Act, please contact Gray Ladd, Manager, Grant Compliance, at 571-483-1700 or operations@conquer.org.

Disclaimer: The information on this section is not intended to provide legal advice. For legal advice concerning the Sunshine Act, the applicant must consult his/her institution or legal counsel.

For more information, see Terms and Conditions located in Appendix A.
